THE 3 KINGDOMS : The Alternate Ending

CHAPTER 1:THE BEGGINING

Long time Ago, before kingdoms,villages, and people. Earth was just rock and water , the soil arise from God. The first trees grew instantly and the first batch of people came. Fast Forward, kingdoms arose and there were four continents, there were The Springs, The Vast Islands, The Caverns, And the Mountains. There are 3 Kingdoms. Appela, Curks, and the Falewws, During One day, The Fallews Decided to visit the mountains, until they found the goat. The Falewws decided to put into the worldwide market, A market open to everyone , The Appela’s And the Cruks wanted to buy the goat but the Falewws refused. The Two planned to destroy all of Falewws assets. Leaving the Falewws no way defend themselves, Unfortunately… The Alarm went off, all guards fought against them. The king got notified by one guard and shut down the worldwide market.

They were amazed and shocked about it. The war started

CHAPTER 2:THE TWO WARS

The Falewws and the Cruks fought, day after day, they kept fighting until they lost, all of the people in Cruks went to there bunkers, but they were also captured, There were no survivors, And the Cruks were gone. Next were the Appela’s turn, they surrendered… which they never expected, they took all assets and no survivors. The Falewws were confident at first. Until God steped in.

CHAPTER 3:THE END?

God got angered and threw metorites onto the kingdom, all of the people went out however, it also threw metorites at them. Only the king and some of the people survived. They hid in caves, Until one of the People, discovered the Aquatic Depths

CHAPTER 4:THE DEPTHS

The king finally saw it and the king lunged in excitement, They now called it “home”. They lived there in 1 year and they got used to the food. They decided to check the surface, but it was filled with water. They stayed for 20 more days, they checked and it was land, The Surface is liveable, no new batch of people though.

They went out and started a new life.

CHAPTER 5:THE CONTINUATION

They made kingdoms, The Open Seas, The Scavangers, The Hillers, and the Ruins, where the two kingdoms were placed. They didn’t started war, like before, they were happy, found a new batch of goats, divided them for free. And every thing was normal

CHAPTER 6:THE REAL END

Until a group of people from the year “2026” has came. The earth that there living on is “Old earth”, everything in the new earth was futuristic. SO they made a bridge connecting the two. They also got cars, teleporters and everything new!, And that the end
